In February last year we stayed one night at the Ice Hotel in Kiruna, in Sweden. It was a fantastic experience!

The hotel is made of ice and snow! But don't worry about the cold. It was -29 degrees outside but in the hotel it was always -5 degrees. We wore big coats and the temperature wasn't a problem. At night we slept on a bed made of ice but in a sleeping bag. We weren't cold at all. There was a shower in the bathroom but no bath. We slept well and in the morning there was a big Swedish breakfast.

But there were some problems. The restaurant was very expensive and the service was very slow – we waited an hour for our starters. Maybe it was a bad night!

What is there to do in the hotel? There aren't any TVs but there is an 'ice bar'. Here you can have a cocktail in an ice glass! It isn't cheap but it's an experience. There's also a spa and sauna. Have a sauna before you go to bed. It's wonderful!

We had a great time at the Ice Hotel, but one night was enough!

## A Great Holiday

I went to Mexico last year with my husband. We went by plane.

First we stayed in Cancún. Our hotel was really nice, and there was a big swimming pool. There was a beautiful beach too. We swam every day and the sea was very warm. Then we travelled round the Yucatán Peninsula by bus. We saw Chichen Itza. It was fantastic. I recommend Mexico. It's a beautiful country, the people are very friendly, and the weather is great.
