

As soon as I know anything ...	We can't go out ...	Hannah will be really angry ...
You'll feel better ...	I'll never finish this today ...	Write that down ...
He would like to retire ...	I'm not going to start the class ...	I'll go to the bank ...
Jack won't leave home ...	I can't buy the food ...	We won't get a cheap flight ...
If you make a noise ...	Unless we run ...	Turn off all the lights and lock the door ...
We won't catch the 6 o'clock train ...	You can go home ...	When I leave school ...
... unless we book early.	... if you take an aspirin.	... until I know how many people are coming to lunch.
... as soon as you finish the exercises.	... when he's 55.	... before you forget it.
... I'll call you.	... until everyone stops talking.	... before you go to bed.
... unless we get a taxi to the station.	... I want to go to university.	... you'll wake the baby up.
... as soon as it opens.	... until it stops raining.	... when she finds out.
... unless you help me.	... we won't catch the bus.	... until he gets a job.
