

# Talk to a partner. Say why.

I'd prefer to live in the city centre. If I lived in a village, I'd have to drive to work every day...

## If you had to choose...

would you prefer to live in a small village or in the centre of a capital city?

would you prefer to have as neighbours a couple with five children or a couple with five dogs?

would you prefer to live in a fourth floor flat without a lift or in a ground floor flat with a restaurant next door?

would you prefer to have an enormous house with a tiny garden or a tiny house with an enormous garden?

would you prefer to have a house with a gym or a house with a games room?

would you prefer to have central heating or open fires?

would you prefer to live in a beautiful house in an ugly area or an ugly house in a beautiful area?

would you prefer to have a holiday house on the beach or in the mountains?
