A

- **1** Write something in each circle. If it has (T) at the end, you must write something true. If it has (L), you must lie, i.e. invent something.
- **1** Tell **B** about one of your circles. **B** will then ask you questions, and decide if you're telling the truth or lying.
- Now listen to B tell you about one of his / her circles. Ask questions to see if it is the truth or a lie. If it's a lie, get B to tell you what the true answer is!
