

a Complete the text with the correct particles from the list.

on ~~back~~ down off in out (x2) up

'Hello, Dave? I tried phoning earlier and you told me to call you
1 back. Yes, I bought this computer yesterday and it doesn't
work. And neither do the speakers nor the webcam. Can you help
me sort it 2 _____? What? Of course I've plugged it
3 _____! And yes, I've turned it 4 _____, too. I tried to
read the instructions, but I gave 5 _____. They don't make
any sense. I can't find 6 _____ how to start it up. Dave, I can't
hear you, can you turn 7 _____ the music, please?...What?
You want me to switch it 8 _____ and start all over again? OK.
Here we go...'

b Complete the text with the correct verbs from the list.

calm get go going growing ~~looking~~ set

'Oh yes, leaving the city and coming to live here was the best thing
we've ever done. I have to tell you, I wasn't 1 looking forward to it
at all. I thought that I'd miss 2 _____ out in the evenings, the
cinemas, the theatres and all the things you can do in a city. But we
love it here. The kids are 3 _____ up in a clean, healthy
environment, and they 4 _____ on very well with the other kids
in the village school, so that's good. And we don't have to rush
everywhere any more, I've managed to 5 _____ down, which is
exactly what my doctor told me to do. And Tom, that's my husband,
has been able to 6 _____ up his own business, and work from
home. I wouldn't want to 7 _____ back to the city now.'
