

I couldn't go in the sea because ...

... I hadn't studied enough.

I couldn't find the restaurant because ...

... I'd drunk too much coffee.

I didn't recognize my friend because ...

... I hadn't charged the battery.

I couldn't sleep because ...

... the chef had put too much salt on it.

I couldn't use my mobile phone because ...

... she had changed the colour of her hair.

I turned on the TV to watch the football, but ...

... I hadn't looked at the map.

I couldn't read the menu because ...

... I hadn't set the alarm.

I argued with my husband because ...

... I hadn't brought my swimsuit.

I couldn't eat the fish because ...

... I'd forgotten where I parked it.

I failed the exam because ...

... I'd left my glasses at home.

I couldn't find my car because ...

... the match had finished.

I didn't wake up because ...

... he hadn't done the washing up.
